

## Everlong

Hello, I've waited here for you,  
Everlong  
Tonight, I throw myself into  
and out of the red, out of her head she sang

Come down and waste away with me,  
down with me  
Slow how, you wanted it to be,  
I'm over my head, out of her head she sang

And I wonder  
when I sing along with you

**if everything could ever feel this real forever**  
**If anything could ever be this good again**  
**The only thing I'll ever ask of you**  
**You've got to promise not to stop when I say**  
**when**  
**she sang**

Breathe out, so I can breathe you in,  
hold you in  
And now, I know you've always been there  
out of your head, out of my head I sang

And I wonder  
when I sing along with you

**if everything could ever feel this real forever  
If anything could ever be this good again  
The only thing I'll ever ask of you  
You've got to promise not to stop when I say  
when  
she sang**

And I wonder

**if everything could ever feel this real forever  
If anything could ever be this good again  
The only thing I'll ever ask of you  
You've got to promise not to stop when I say  
when  
she sang**
