

London calling

London calling to the faraway towns
Now war is declared and battle come down
London calling to the underworld
Come out of the cupboard, you boys and girls
London calling, now don't look to us
Phoney Beatlemania has bitten the dust
London calling, see we ain't got no swing
'Cept for the reign of that truncheon thing

The ice age is coming, the sun's zooming in
Meltdown expected, the wheat is growing thin
Engines stop running, but I have no fear
Cause London is burning and I live by the river

London calling to the imitation zone
Forget it, brother, you can go at it alone
London calling to the zombies of death
Quit holding out - and draw another breath
London calling - and I don't wanna shout
But while we were talking I saw you running out
London calling, see we ain't got no high
Except for that one with the yellowy eyes

**The ice age is coming, the sun's zooming in
Engines stop running, the wheat is growing thin
A nuclear error, but I have no fear
Cause London is drowning and I, I live by the river**

Solo

**The ice age is coming, the sun's zooming in
Engines stop running, the wheat is growing thin
A nuclear error, but I have no fear
Cause London is drowning and I, I live by the river**

BREAK

Now get this

London calling, yes, I was there, too

An' you know what they said?

Well, some of it was true!

London calling at the top of the dial

And after all this, won't you give me a smile?

London Calling

I never felt so much alike, alike-a, like-a...
