

# TERRITORIAL PISSINGS

*Come on people now, smile on your brother and  
everybody get together, try to love one another right now*

When I was an alien, cultures weren't opinions

**Gotta find a way, to find a way, when I'm there  
Gotta find a way - a better way - I had better wait**

Never met a wise man, if so it's a woman

**Gotta find a way, to find a way, when I'm there  
Gotta find a way - a better way - I had better wait

*(break instru)*

Just because you're paranoid, don't mean they're not  
after you

**Gotta find a way, to find a way, when I'm there  
Gotta find a way - a better way - I had better wait
